Parental Questionnaire March 2023

April 2023

Dear Parents/Carers,

Firstly, I would like to say a big thank you for taking the time to fill out the online parental questionnaire which was recently emailed to you. We really value your opinions and always strive to act upon these to ensure that Christ Church is the best that it can be. Moving forward, we will try to address some of the suggestions parents/carers made about how we can further improve our school. I have also provided some information about some of the extra-curricular activities which have already taken place this year and those that are due to take place in the summer term so you can see all the exciting things and learning opportunities that have already taken place this academic year alongside more things to come in the summer term too.
