

Christ Church Collective Worship Policy

Worship is...

***Giving honour and reverence to a supreme being.
Christian worship is concerned with bringing praise, prayer,
thanksgiving and adoration to God.***

It is an activity of response: in words, actions and thoughts.

Our Christian vision

Our school community is underpinned by a strong, shared ethos of high expectations, enthusiasm for challenge, learning and our unique school values. These values guide our curriculum and enable strong links with our Church and community, building resilient learners who are well-equipped for the future.

Mission statement

Collective worship plays a central part in the life of Christ Church Primary. Collective worship is a means by which the school's Christian vision is expressed (Strand 6 SIAMS 2018). As an expression of the Christian vision, ethos and spiritual life of the school it offers the whole school community opportunities to experience and participate in the living expression of Christian worship, valued and honoured through the school's Anglican Foundation. This is set within the context of the corporate community of our school and its historic partnership with Christ Church. We affirm every individual's unique contribution, regardless of age, gender, sexuality, ability, background or religion.

Legal requirements:

Trust Deed

Our daily act of collective worship is in accordance with the Trust Deed of the school/academy. This requires worship to be consistent with the faith, principles and practices of the Church of England.

DfES guidance

We also take into account DfES legislation. The following link will take you to the current legislation. <https://www.gov.uk/government/publications/collective-worship-in-schools>

1988 Education Act

We also take into account the 1988 Education that states,

*'.....all pupils in attendance at a maintained school **shall in each school day** take part in an act of collective worship',*

And, that this should be,

'.....mainly of a broadly Christian character'

Christ Church Collective Worship Policy

Worship and/or Assemblies

Some schools have a celebration assembly in order to celebrate pupil's achievements. Care should be taken that this is still regarded as an act of worship through saying prayer at the end of the celebration to thank God for pupil's achievements and successes. We follow these guidelines at Christ Church Primary.

Section 48 Statutory Inspection of Anglican & Methodist Schools (SIAMS)

All church schools, whether they are Voluntary Aided (VA), Voluntary Controlled (VC) or Foundation (F) will be inspected on collective worship and the impact this has on the whole school community (Strand 6 of the SIAMS 2018 schedule). The core question of this strand is, **the ways in which collective worship is an expression of the school's Christian vision.** Here at Christ Church this inspection will evaluate the school's/academies collective worship on the following:

- that it is inclusive, invitational and inspiring
- offers the opportunity, without compulsion, to all pupils and adults to grow spiritually through experiences of prayer, stillness, worship and reflection
- enables all pupils and adults to appreciate that Christians worship in different ways, for example using music, silence, story, prayer, reflection, the varied liturgical and other traditions of Anglican/Methodist worship, festivals and, where appropriate, the Eucharist.
- helps pupils and adults to appreciate the relevance of faith in today's world, to encounter the teachings of Jesus and the Bible and to develop their understanding of the Christian belief in the Trinitarian nature of God and its language.
- enables pupils as well as adults to engage in the planning, leading and evaluation of collective worship in ways that lead to improving practice. Leaders of worship, including clergy, have access to regular training.
- encourages local church community partnerships to support the school effectively in developing its provision for collective worship.

The right of withdrawal

We recognise the right of withdrawal from worship for pupils at the request of parents and for staff, but encourage discussion with the relevant individuals to ensure that there is understanding of the aims and objectives of worship, and strategies for minimising the disruption caused by any withdrawals

Aims of worship

The gathering of pupils each day incorporates collective worship. Worship will be:

- Appropriate to the age, aptitude and family background of pupils.
- Provided in a variety of settings, groupings and timings, with a variety of leaders including whole school, pupil led, Key stage and class workshops.

Worship should provide opportunities to:

- enhance the spiritual development and response of pupils
- foster reflection, meditation, prayer and silence
- create an atmosphere in which God is both normal and natural

Christ Church Collective Worship Policy

- share local school/academies and community information

Management of worship

Ultimately the responsibility for collective worship lies with the Headteacher/Principal and the Chair of Governors. However the role of planning, resourcing, managing and evaluating worship has been delegated to the RE Leader. In addition all teachers in a church school are 'spiritual leaders' and have a responsibility to help pupils develop spiritual awareness.

Christ Church Collective Worship Policy

Resourcing worship

Worship should be adequately resourced to ensure that it is regarded as an important part of school life. Pupils are encouraged and provided opportunities to plan acts of worship (whole school, year group, key stage or class / form), so that they have ownership of it. Each year groups has the opportunity to do this each term.

Monitoring, evaluating & action planning worship

Worship is monitored and evaluated frequently in order to ensure that it meets the needs of all who take part. All stake-holders opinions are sought, including pupils, teachers, governors & parents. A yearly action plan which feeds into the school development plan is written and revised to ensure that worship remains relevant and up to date.

Management of the Worship Coordinator

This is done by the Headteacher in conjunction with the Chair of Governors/Governing Body.

Worship themes and current practice

The worship themes for each week are based around our Christian school values, British values and SMSC opportunities appropriate to our pupils.
