

## Music – Reception

In Reception, we love to sing and move our bodies.

We like to sing **nursery rhymes** and perform them to our friends, parents and teachers.

We also **sing** for our parents during our **Christmas Nativity**. We practise listening to the music and singing together in harmony.

We like to explore different instruments and see what sounds they make.

Some of the **percussion instruments** that we play are:

**Triangle**

**Tambourine**

**Maracas**

**Drum**

We also like playing tuned instruments like the **xylophone** and **glockenspiel**.

We like learning about the names of different instruments. We are learning what they look like and what they sound like through our listening skills.

### Key Vocabulary

Guitar

Recorder

Drums

Flute

Violin

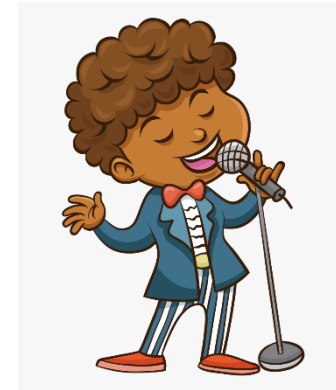

Keyboard

Piano

In Reception, we love to **perform songs and rhymes** to one another. We also **perform stories and poems**.

We love **singing** to help us learn about nature and the world around us.

We use our **listening skills** everyday in all that we do. We love listening to different types of music.
