

Christ Church C of E Primary School Equality Objectives 2024-2025

Equality Statement

At Christ Church C of E Primary School we are committed to ensuring equality of opportunity for all pupils, staff, parents and carers irrespective of race, gender, disability, belief, sexual orientation, age or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and are able to participate fully in school life. We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement.

Our vision and values ensure that every pupil and staff member is given an equal opportunity to achieve their potential. We tackle discrimination through positive promotion of equality, by challenging bullying and stereotypes and by creating an environment which promotes respect for all.

At Christ Church C of E Primary School we believe that everyone should be respected and celebrated by all those in our school community. Therefore we:

- We ensure that everyone is treated fairly and with respect.
- Make sure the school is a safe, secure and stimulating place for everyone.
- Recognise that people have different needs.
- Recognise that for some people extra support is needed to help them to achieve and be successful.
- Do our best to make sure that people from different groups are consulted and involved in our decisions, for example through talking with pupils and parents and carers, and through our wider school community.

All schools have to legally publish specific and measurable equality objectives. Our equality objectives are based on our analysis of data and a collection of other information.

Our equality objectives focus on those areas where we have agreed to take action to ensure equality for all is met.

At Christ Church C of E Primary School we are committed to ensuring pupils have equal opportunities throughout all aspects of school life. We will regularly review the progress we are making to meet our equality objectives.
